Green Campus Initiatives

GREEN CAMPUS INITIATIVES INCLUDE

LANDSCAPING WITH TREES AND PLANTS:

Carbon dioxide neutrality is maintained on the campus by planting different varieties of trees and plants. The green campus concept offers them to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

GREEN CAMPUS INITIATIVES INCLUDE

BAN ON USE OF PLASTIC:

The institute initiates the plastic free campus activity which will support an Eco-friendly in nature. For that the institute banned single-use plastic items such as plastic bottles, bags, spoons, straws and cups completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles.

GREEN CAMPUS INITIATIVES INCLUDE

RESTRICTED ENTRY OF AUTOMOBILES:

To avoid the air pollution the vehicles are not allowed in the campus. But they are parked in the parking area which is at outside of the campus, reasonably away from college. Our college has a separate parking area to avoid pollution. Mostly the institute encourages the staff and students to use the college transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution. So, frequently the college buses are checked for pollution by the authorized agency. The vehicles owned by faculty or students with pollution check stickers are permitted into the campus.
